

Grandma: Good morning, Cathy! It's rainy here. How about the weather in your city?

Cathy: It's rainy, too. I have PE class at 11:00. I think we can't go out and play football today.

Grandma: You have another PE class on Thursday, right? It might be sunny then.

Cathy: I hope so. Are you at home, Grandma?

Grandma: No, I'm at school. On Monday, I have English class at 8:00 and cooking class at 2:00.

Cathy: Do you like English?

Grandma: Yes, I do. It's fun to use a computer in English class. I also have English class all day on Thursday.

Cathy: Cool!
